

HOUSE OF COMMONS

LONDON SW1A 0AA

Her Majesty The Queen
Buckingham Palace
London
SW1A 1AA

15th June 2022

Dear Madam,

On behalf of the people of Milton Keynes, we are writing to offer our sincere thanks for awarding Milton Keynes city status as part of Your Majesty's Platinum Jubilee Celebrations.

Milton Keynes was designated as a new town during Your Majesty's reign and we have grown throughout that time to become the deserved city we are today. Our institutions have played a vital role in the history of our great nation with Wolverton becoming the United Kingdom's first purpose-built railway town and Bletchley Park's innovation and genius being pivotal during the Second World War. It's that ingenuity of Bletchley Park that has driven Milton Keynes' ambition to be the innovative and forward-thinking city it is today.

We are truly honoured to have been officially designated as one of the UK's newest cities by Your Majesty and express our gratitude once again.

The people of Milton Keynes would like to wish Your Majesty all the best in this most historic Platinum Jubilee year!

We have the honour to be, Madam, Your Majesty's humble and obedient servants.

Yours sincerely,

Ben Everitt MP
Member of Parliament for Milton Keynes North

Iain Stewart MP
Member of Parliament for Milton Keynes South
